JUNIUS H. ROSE HIGH SCHOOL

GREENVILLE, NORTH CAROLINA

1958

Dedication

Mrs. Bess C. Picklesimer

The Class of '58 is proud to dedicate the 1958 TAU to Mrs. Pick.

In her teaching of science, she enthusiastically directed us through our struggles and encouraged us to do our very best.

Mrs. Pick has always been more than just a classroom teacher; she has been a faithful, constant friend and advisor. We are indeed fortunate to have shared our young lives with her.

The Class of '58 wishes for her a future filled with happiness and good fortune.

Bass-Oakley

TO THE CLASS OF 1958

In all humbleness I salute the class of 1958, the first class to be graduated from our new High School.

We started planning for this building before you were born. It takes a long time to plan something big and do it well.

It also takes a long time to plan a life so you can live it well.

This graduation time of yours is merely the end of one period of planning and preparation for your good life. Please do not be impatient. Take time to plan and prepare for this new world of yours, this "Space-Age."

Then, when you have finished your years in the colleges and universities, when you have started in your own business or profession, and when you have established your own home, make sure that the love of God and the love of goodness and love for all of God's children remain in your heart always.

May God bless all of you.

Junius H. Rose, Superintendent
Greenville City Schools

TO THE CLASS OF 1958

We commend the class of 1958 for the splendid work which they have shown in the publication of this superior annual. May you strive, in whatever you do, to live intelligently and to develop the talents that you possess.

We wish for you success and happiness.

O. E. Dowd, Principal

Class Poem

We, the Seniors of Greenville High,
have come to the time to say goodbye.
We part with one we hold so dear;
it is difficult without a tear.

Through all the years, our able masters
have led us through the near disasters.
So, to be prepared in the future years,
we selected subjects to help choose our careers.

Twelve years have passed, and now we part,
a thanks sincere from every heart
For all the things that you have done,
the moments we've shared, the joy, the fun.

So we, the Seniors of Greenville High,
have come to the time to say goodbye.
Part of our hearts we leave with thee;
and, as each and everyone can see—
Our love is true; it ne'er will die—
Dear Greenville.

Ray Lane

Class Prophecy

The graduating class of 1958 is gathered at the Junius H. Rose auditorium today in 1978. As we gaze around we see some of the outstanding leaders, both men and women, of America.

Ann Marshall Allen has her own ranch and is quite an accomplished Lady Bullfighter. She is the most famous bullfighter in all Mexico.

Walker Lee Allen is a professional golfer. He owns his own restaurant next to his home where he eats lunch everyday.

Bob Bilbro and Godfrey Oakley are doing quite a lot of business at Johns Hopkins where they are the head doctors. Their personal nurses are Ann Parkinson and Ruth Young.

Ralph Mayo, Rett Everett, and Hubert Leggett, famous scientists, have just finished Sputnik V. Carl Bestedt, the pilot, will be the first to ride in it.

Jimmy Galloway flies a T.W.A. airline plane with Jeri McDaniels and Darlene Phillips as hostesses. On the plane we find Alf Forbes, Gwen Johnson, Jane Bass, Beverly Dunn, Ann Peaden, Joyce Sutton, and Yvonne Allen touring the world.

Looking down the front row we find Joe Dresbach. He has lost so much weight we nearly missed him.

Further down there is Janice Fordham, Janet Horton, Carolyn Craft, and Helen Overton, all secretaries. Janice is secretary to the President, Janet is secretary to the Vice-President, Carolyn is secretary to the Governor, Helen is secretary to a major. They're really accomplished.

In the far left sit Mary Louise Parker, Nancy Braxton, Nellie Braxton, Patsy Corey, Peggy Evans, Rebecca Highsmith, and Iona Jones doing wonders juggling the family budget.

Several of the graduates of 1958 are not able to be with us today.

Martha Jane Pierce is down in South America where she has just completed her exciting book "Pierce's Cruise Around The World."

Jean Ann Waters has written another best seller.

The president and vice-president of the Bachelors of America, Burke Stancill and Peanut Nunn, are not able to be with us because they have a date.

Ed Buchanan has succeeded Mr. Dowd as principal. On the faculty we find Stuart Bost replacing Mrs. Pick, Barbara Davis teaching Spanish and French, Polly Batts teaching Biology, Florence Norman teaching Physical Education. Pretty good faculty, don't you think?

Instead of being on the high school faculty, we find Milly Bowden and Naomi Gibbs teaching the 1st and 2nd grades in the grammar grade schools.

Wesley Hudson is coach at Carolina.

Dick Evans, town dentist, keeps Judy Ferris and Cynthia Cranford happy by filling their teeth to keep them from having a toothache.

Dropping by on one of their numerous tours are Rose Moye, mezzo-soprano; Ebern Allen, tenor; and Betty Evans, soprano; all from the Metropolitan Opera Co. They have just made a new hit called the "Graduation Isn't Far Away."

Writing up the column for the *Daily Reflector* concerning the reunion is JoAnne Parks, head of the paper. Assisting JoAnne are Martha Corbett, society editor; Lucian Bryan, sports editor; and Mary Ann Bryant, photographer. Their paper is voted to be the best in the state.

Sitting next to JoAnne Parks is Ginger Lang, Greenville's first psychiatrist. Her as-

sistants, Judy Jolly and Elizabeth White, say that Kelly Barnhill certainly helps to make business thrive since he has just bought a a black cadillac. He also helps Don Wilkerson who operates the finest funeral home in all Greenville.

Carol Tadlock, Margaret Ruffin, Ann Moore are models for the Paris Shop in New York. Their designer of the clothes is Lillian Moye who has succeeded Mr. Mort.

Bobby Edwards, Bennie Harrell, Stanley Hathaway, and Bill Moore are joint owners of a firm that manufacturers black thunderbirds with gold and silver lining.

Two class members outstanding for their beauty are Ray Lane and Dee Ann Gardner. Ray has just won the title of "Miss Universe" and Dee, "Miss America."

Robert Howell, well-known military four-star general, has just been promoted to a five-star general.

Bobby Evans, Kirby Boyd, Shelby Heath, Lawrence Perkins, Arthur Andrews, Johnny Johnson, and Johnny Harrison must have passed English 12 because they are now well-to-do business and family men.

Howard Sumrell is a head chemist at DuPont. So far he hasn't blown up anything. Sandra Mayo is his assistant.

Mickey Averette, Charles Cox, Albert Crawford, Jon Luskin, and James Spears are very successful engineers. They engineer anything you like.

Lanny Berry is the champion pool shark. He has even defeated ex-champion Arthur Andrews.

Mack Roebuck, head coach of State football team has left his No. 1 team to be present here. Dickie Haar is the high-scorer for the No. 1 team.

Buddy Rogers and Pat Robinson, owners of a billion dollar hot rod used car lot, are present also. Their foreign Jaguars are waiting for them outside after the reunion.

Marietta Northrop, chief guide at the United Nations Building and part-time model at the Tall Girl Shop, is unable to be present because she has to meet the Spanish ambassador to the United States.

Alma Hagans, Jane Perkins Mac Mims, Carol Kearney are happily married with a total of about 15 children running around them.

R. L. Puryear is the best mechanic in town. He works on all kinds of cars from jalopies to Cadillacs.

Ralph Johnson is a professor at Campbell College. He teaches how to get along with the ladies.

Eugene Gurganus is a famous bopper. He is now appearing in "Rock, Baby, Rock."

George Saieed although not famous, still keeps his motto "Live fast, Love hard, Die old."

John Trotman owns the largest fruit stand in Greenville. Sandra Phillips, medical scientist, used Trotman's oranges in order to mix correct fluids which call for experiments with orange juice.

Lynn Jorgensen and Lawrence Perkins, both from Texas, own several oil wells. They have just bought the State Bank.

Ray Smith, graduate of State College, has nothing but praise for the No. 1 ball club.

Nina Harper and Joyce Harris, still quiet as ever, are nurses for Pitt Memorial Hospital where Billy Fields is the chief surgeon.

Camilla Henderson is the No. 1 actress in New York. She is now playing in "South Atlantic."

Hazel Corey and Shirley Boyd join the other homemakers of today. A shining example of the perfect homemaker is Myrtle Mills Stocks, the wife and mother of the year.

As the saying goes "All good things must come to an end," so we close, hoping to be together at the class reunion of 1978.

Class History

As we recall our high school years, we see that the most frightening year of all was our freshman year. It actually stood out like a sore thumb. There were so many new things to learn, so many new faces to become acquainted with, plus a new teacher for each subject.

How we laughed when we recalled Ann Peaden singing "Boll Weevil" in the "Freshman Follies."

We were all quite proud of Bob Bilbro when he was presented the National Honor Society award at Junior High Graduation.

With the help of our class officers: Kelly Barnhill, president; Margaret Ruffin, vice-president; Stuart Bost, secretary; and Bobby Edwards, treasurer: our freshman year was not so frightening after all.

Leading the sophomore class were Bob Bilbro, president; Martha Moye, vice-president; Ann Marshall Allen, secretary; and Kelly Barnhill, treasurer. Topping off the sophomore year was the fond memory of the "Storybook Ball."

Then it seemed like no time at all before we were juniors. What an enchanting word —or so we thought then.

The highlights of that year (beside the fact that we were juniors) were many. Guiding the class in its numerous activities were: Bob Bilbro, president; Margaret Ruffin, vice-president; Elizabeth White, secretary; and Kelly Barnhill, treasurer. In the most important class project, selling magazines, Lawrence Perkins achieved the title of "High Salesman."

One of the most significant events of the year was the purchase of class rings.

A change of scenery was in store for the biggest event of the year—the Junior-Senior. It was moved from G.H.S. to the Moose Lodge where the theme "The Jazz Age" was depicted very beautifully.

With the coming of spring, Sandra Phillips, Ann Moore, JoAnne Parks, Martha Jane Pierce, Jane Bass, Margaret Ann Harrell, Godfrey Oakley, and Bob Bilbro were chosen as marshals headed by Mary Ann Bryant.

Finally after three long years we at last became seniors. At the beginning of the senior year the class sold stationery. Mrs. Mims' homeroom won the honors for selling the most stationery. The first class meeting of the year revealed the following officers: Ed Buchanan, president; Robert Howell, vice-president; Ray Lane, secretary; and Kelly Barnhill, treasurer.

Much excitement was created on Homecoming Day when Betty Lane Evans was crowned Homecoming Queen and Walker Lee Allen and Mary Ann Bryant, Mr. and Miss School Spirit.

It was quite enough to graduate but to be the first graduating class of our beautiful new high school was too good to be true.

As we sat there, tears of laughter and sadness ran down our cheeks. We realized that we had achieved our aims with much success, and our minds had been fully engraved forever with the fond memories of our happy high school days.

Junius H. Rose High School, we, the class of nineteen hundred fifty eight, bid you farewell.
